

CASA Response to Coronavirus (COVID-19)

Dear CASA Community Partners and Supporters,

The health and safety of our CASA Volunteers, staff, children, families, and community is of utmost importance to CASA of the Heartland. As we continue to monitor developments regarding the Coronavirus (COVID-19), CASA is taking precautions to reduce potential exposure to the virus.

CASA of the Heartland will be restricting outside visitors from entering our office locations until further notice. Staff will continue to be available via email, phone, text, and/or video to our Volunteers and community stakeholders. CASA Volunteers will continue to visit their children remotely. Volunteers should monitor your emails for further information and updates. Our program's upcoming in-person Informational Evening on Tuesday, March 24th from 6-8 PM at the Home of Philanthropy is cancelled, but our team is working to offer this session remotely. CASA's upcoming Spring Training (April 20th-30th) is currently scheduled to go on as planned.

We encourage you to visit our [Website](#) and [Facebook Page](#) for ongoing updates regarding CASA of the Heartland's operations and the COVID-19 situation. Please take the virus, and guidance from health officials, seriously and use precautions – wash your hands regularly, stay home if you are ill or
